The involved institutes promote diversity and equal opportunity in science and thus particularly invite members of groups underrepresented in academia, incl. women, to apply. We also explicitly provide support to facilitate the compatibility of family and work.

Application dossiers (all documents in English in a single pdf file) must be submitted to andreas.bruder@supsi.ch and must include (i) a motivation letter with a short description of relevant work experience, (ii) a complete CV, (iii) names and contact details of two references from earlier academic projects, and (iv) copies of certificates of academic qualifications. Application dossiers will be evaluated starting 15th December 2021 and the position filled if a suitable candidate is found. The involved institutes promote diversity and equal opportunity in science and thus particularly invite members of groups underrepresented in academia, incl. women, to apply. We also explicitly provide support to facilitate the compatibility of family and work.
